Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Your young bartender girlfriend made you a masturbation video.
Brooke is a horny young bartender from Las Vegas. In this POV scene, you're her boyfriend, and she's spreading and fingering her cunt just for you.

Ultra-hairy brunette strums her clit through a mountain of hair.
Bush Baby Simone has a thick, luscious patch of pubes. For you guys with a fondness for follicles, you're going to love Simone's pheromone-rich snatch.

A 21-year-old girlfriend indulges your cuckold fantasies through dirty talk.
Cece indulges you by making a masturbation video while talking about letting another guy into her sweet, hot, wet and waiting fuck holes.

Skinny cutie submitted this video to break up with her boyfriend.
Skye's boyfriend doesn't know that she sent this video to us. He also doesn't know that he's not going to be her boyfriend for very much longer.

Stacked blonde with sexy hips and a hairless cunt spreads and fingers.
Stephanie is thick in the right places, and she's naturally stacked. This college coed whimpers as she cums.

Sweet 19-year-old girl wants to keep this video secret…even from her guy.
Listen to Kimmy talk about it in an interview. Then listen and watch as she spreads wide and discusses whether she's going to fuck a porn stud.

Stacked beauty sucks, rides and then creams on a big porno cock.
Gigi has big D-cup tits, and she tickles the back of her throat with a thick rod. Then she climbs on top for a ride before getting cum sprayed on her chest.

Redhead, 19, gets fingered by one guy and then fucked by another.
It's not orthodox, but it's hot as fuck. One guy eats her out, then a bigger cock appears and fucks her outside.

Rent is overdue, but Jessa has a plan.
This hot Latina pays off her debt with her hands, tits, pussy and ass.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Mella*

Age: 19
Height: 5'5"
Weight: 110 lbs.

Mella told us that she's a fan of professional wrestling. We asked if that meant she likes big, sweaty men throwing her around. "Absolutely! I like it when humongous guys pin me down or pick me up and fuck me like a ragdoll. I like to be tied down and spanked and facefucked until my mascara runs. Someday, I'd love to do a gangbang with me restrained to a wall or a bed or something. I want to be used hard."

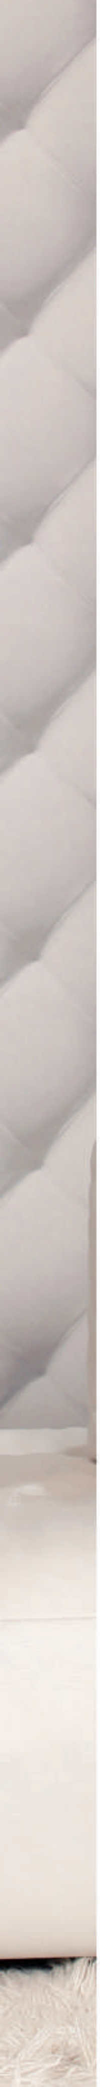
Vanda

Budapest, Hungary

Blond hair, piercing blue eyes, a killer body and the willingness to spread her pink pussy wide for a camera are just some of the reasons we like Vanda. She's also talented. "I like to paint with watercolors. I do a lot of landscapes," she told us. We asked Vanda if she's ever painted nudes before. "Of course! I have a bunch of canvases in my closet with me in various poses. They're like old-school selfies!"

Vanda has had a tough run of luck lately in her love life. "My boyfriend just broke up with me," she shared, although she didn't look too sad about it. "He wasn't my true love or whatever, so I'm okay with it. But I really liked his cock. The two previous guys I dated were both on the smaller side down there. So, this guy, and he wasn't even huge or anything, but he looked like a porn star when he whipped it out. It hit all the right parts of my pussy."

"I'm not really in the mood to date anyone right now. Not seriously, at least. I think I just want to go out to the clubs with my friends, meet someone looking for a casual thing, and then go home with them. It sucks because sex is always better with someone you know, but hookups can still be good. I bring a crazy, wild energy to sex. I like to ride a dick like I'm doing a Hula Hoop. And I've been told my blowjobs are amazing."



Nice and smooth.

"I keep my pussy waxed all the time. It feels better, and I think it looks better, too. Stubble sucks! I prefer hair on a man, though. I don't want it to look like a jungle down there, but I like feeling a guy's pubes on my chin when I suck him."

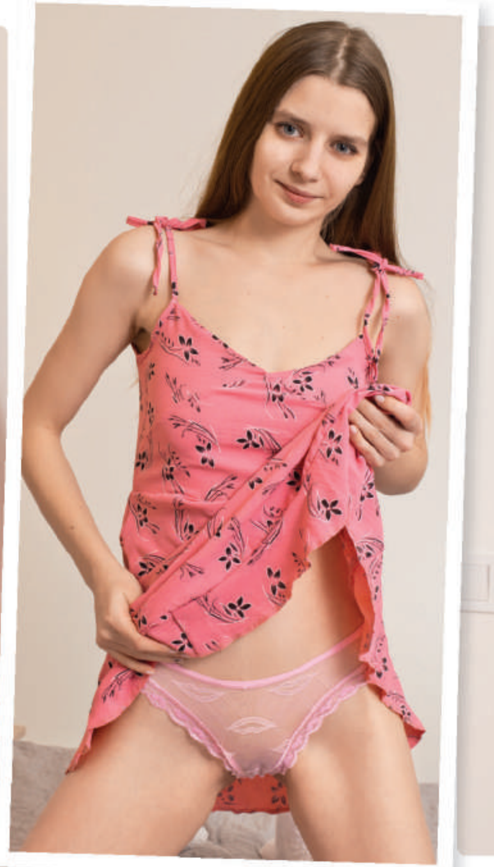
Tali

Kiev, Ukraine

Job: Student
Age: 22
Birthday: March 17
Height: 5′7″
Weight: 110 pounds
Bra Size: 36B
Panties: I'll wear anything
Anal: Sometimes
BJs: Swallow
Masturbate: Not a lot



When Spring finally rolls around and pretty, young girls slip into their sundresses, it's boner season. Tali, 22, looks exceptional in her pink dress, and she looks even better out of it. "My ex-boyfriend always told me that I was too cute to be dirty," Tali told us. "I thought that was funny. Like, I was too cute to dominate and fuck really hard. He and I didn't last long. I need that kind of hard pounding sometimes. Just because I have a young face and like to dress in cute, kinda girly clothes doesn't mean I don't need to be fucked like a slut occasionally. I don't watch a lot of porn, but when I do, I like to see girls get hammered with big dicks."

Let her have it!

"I lost my virginity to a boy my age, and he was lovely. He kept checking in on me to make sure I was doing okay. I think I surprised him when I kept telling him he could go a little faster and harder after we got into a good rhythm."

Job: Gas station attendant
Age: 18
Birthday: November 30
Height: 5'2"
Weight: 111 pounds
Bra Size: 32B
Panties: Thongs
Anal: I'll try it sometime
BJs: Swallow
Masturbate: With my vibe

Jojo

Waco, Texas

Jojo is back! We showed you her debut XXX photos in *NN2904*. In case you need a refresher, Jojo works at a gas station, and she enjoys horseback riding, going for long runs and sketching portraits. Our photographer mentioned that it sounds like she enjoys spending time outdoors, and he suggested that she shoot her masturbation scene by the pool. Her clothes didn't stay on too long after that. Jojo is a bit of an exhibitionist.

"That was so much fun," Jojo told us after her shoot. "I'd never masturbated outdoors before. I think I'll try that again sometime. It was also cool to just use my fingers in my pussy. I normally use a little bullet vibe on my clit, but sometimes going old-school with just the hand is fun. I like getting eaten out, but it really drives me wild when guys finger my G-spot while they're licking my clit."

Missed it by inches.

"My favorite position is doggie. I can shut off my brain and just focus on the pleasure. I had a boy tell me that he loved it, too, because he could stare at my asshole. I was tempted to try anal with him, but he felt too good in my pussy."

Hooker turned Pirate Queen

She was one of history's most successful pirates, man or woman. Born in poverty in 1775, she screwed and screwed men over until her name became synonymous with swashbuckling and robbery at sea. Ching Shih worked as a prostitute on a floating brothel, eventually taking over the business and becoming a maritime pimp. From there, she married a pirate named Zheng Yi at age 26. Possibly thrown overboard in Vietnam by Ching Shih, Zheng met his demise in 1807. Ching worked quickly, striking a working relationship with Zheng's heir, her stepson, Zhang Bao. Eventually, they became lovers, and the stepson became her second in command. Ching was ruthless and cunning, and she took power as the unofficial commander of the Guangdong Pirate Confederation. At the height of Ching's power, she commanded 400 ships and between 40,000 and 60,000 pirates. She fought the East India Company, the Portuguese empire and the Great Qing dynasty. Ching Shih eventually retired by contacting the Qing authorities and vowing to step down as the pirate queen, handing over many of her ships to authorities, although she kept 80 ships and 5,000 of her pirates so they could enter the legal salt trade. She personally negotiated pardons and gifts for all of her crew, including rations of pork, money and wine. Ching married Zhang Bao her step-son, and had one child. Zhang Bao passed away in 1822 at age 39 while serving in a military post for the Qing dynasty. Ching lived the rest of her life in luxury, funded by her piracy and a side business she founded in her retirement, one of the most secret and infamous gambling houses in China. Ching passed away in 1844, having lived and thrived as a mother, a murderer, a prostitute, a pimp, a pirate, a casino owner and one of the most badass chicks ever.

DID YOU KNOW?

Celery contains vitamins and pheromones that can lower blood pressure, leading to harder, stronger erections. In addition to vitamins K, C, E, B9, potassium and calcium, which all help overall bodily health, celery also has androsterone and androstenol, two pheromones that affect human behavior by boosting mood and increasing libido for men and women.

Give her something to smile about.

Weird animal dicks

It's good to be human! We're the dominant species, we have comfort, and for most of us, we're not constantly hunted by predators. But have you ever taken a moment to be thankful for your human penis? You might want to after reading about some of these bizzare animal dicks.

- **Echidna.** One of the rare egg-laying mammals, the echidna has a four-headed cock. When one of these spiny football-shaped animals fucks, its dick works in split shifts. Two of the heads shut down, leaving

Valery

Miami, Florida

Once upon a time, a woman in her 40s wouldn't have been caught dead in public wearing a bikini. But that was then and this is now, a more open-minded era when women like Valery Lopez, a Colombian hottie, have hotter bodies then girls half their age and are proud to flaunt them. Valery is married, but her husband likes to show her off to the world. He's very nice that way.

Happily ever after...

"I lost my virginity to my husband when we were young. We've been in love for a long time. We've been swinging for a while, but he's still the best I've ever had. We just enjoy getting freaky with friends sometimes. It adds spice."

Nicole

Saint Petersburg, Russia

What's a cute, flat-chested and innocent-looking girl like Nicole doing in a porno magazine? She told it to us plainly. "It gets me off to know that guys, especially older guys, will jack off to pictures of me. I have a bit of a fetish about older men. I love their company, how they smell, how they will treat you with gifts and take care of you. Guys my age don't have a clue about how to turn women on."

"The oldest guy I've ever slept with was 43. I've tried to hit on guys older than him, but I think a lot of them are weirded out by a young girl practically throwing herself at them. Anyway, the 43-year-old was really fun. I showed him off to all of my friends. He wasn't a billionaire or anything, but compared to guys my age, he was rich. He was awesome at fucking, too. He ate my pussy for over an hour once, making me cum so many times I lost count."

Go big or go home.

"I love my sex toys. I have a bunch of them under my bed. I remember getting my first one and thinking, there's no way this is going to fit in my pussy! It was bigger than I was used to, but I tried it and it blew my mind. It stretched me just the right amount."

Bella

Berlin, Germany

Do you want to hear a secret about Bella? She sometimes reads smut in class at her university. "My professors all love me because I'm polite, I raise my hand to answer questions and I always read along while they lecture. But they have no idea that a lot of times, I have a downright filthy book or magazine hidden inside of my textbook or binder. My pussy gets drenched during class, and I'll grind in my seat a little and edge an orgasm for a long time. It's so much fun!"

"Sometimes, when I'm edging myself in class, I'll have to excuse myself to go the toilet and finish myself off. It's embarrassing, but I didn't get to the toilet once. I started cumming in class. I tried so hard to keep my eyes open and my mouth shut, but I must have looked like I was having a seizure or something. It was mortifying. Some of my classmates must have known."

Bella wants a taste.

"I've consumed a lot of smut, and I love looking at pussies. I think I have a really nice-looking one. I've never had an opportunity to have sex with another girl, but I'd do it in a heartbeat. I taste my own all the time and it's yummy."

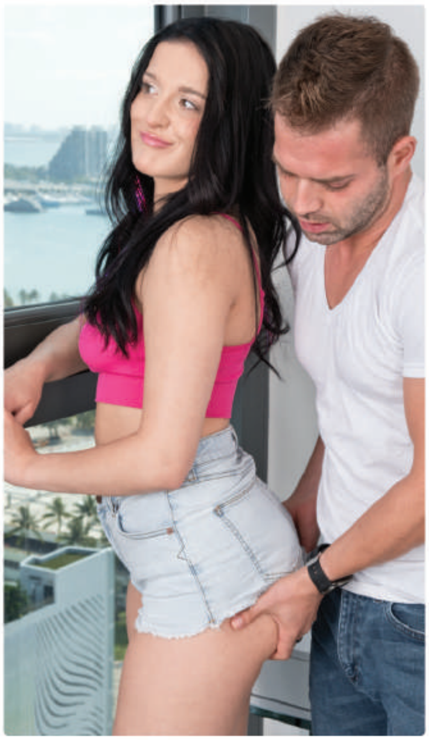
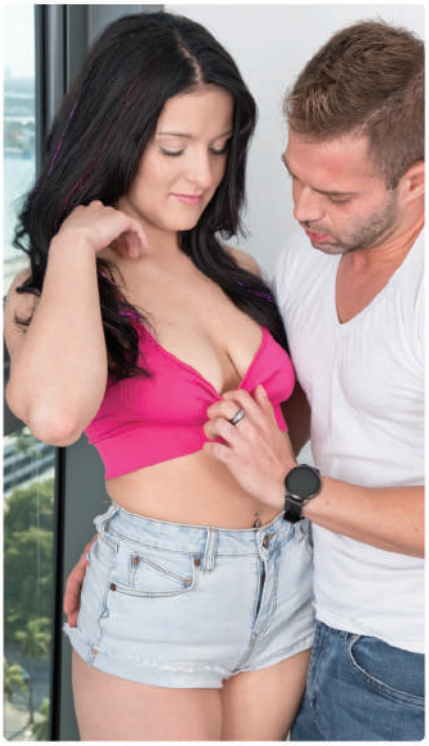
Serena

Provo, Utah





There are horny chicks, and then there are insatiable girls who can't get enough pleasure in their lives. Serena is the latter. She told us all about her masturbation routine. "I go straight from school to my house because my folks don't get home until later. I have the whole house to myself for a few hours and I take advantage of it. If I can get a guy to come home with me, I do. If not, I'll make myself cum a few times."

"I absolutely adore giving head. It's, like, my favorite hobby. I like going down on a guy before he eats me out because sucking a cock gets my juices flowing. If a guy starts licking me before I'm ready to go, it just feels awkward. It's like sucking a soft cock, or something. It's unnatural. But if I can feel precum on my tongue, have the guy's balls in my hand and push the shaft into my mouth, then I'll be good to go."

“My favorite position is cowgirl because I like to control the tempo. It’s even better if a guy puts on a good playlist on the stereo so I can time my thrusts and hip-rocks to the beat. I grew up dancing and was on a dance team for a minute, so I know how to move my body. I’ll probably never become a stripper, but I think I’d be good at it. I might get too horny on stage, though.”

Fuck Serena kindly.

"Doggie-style is really fun if I can trust the guy to be respectful. I like a little hair pulling, ass smacking and when the guy grabs my hips and pulls me onto his dick. But it can get too aggressive too quickly. Guys, be careful!"

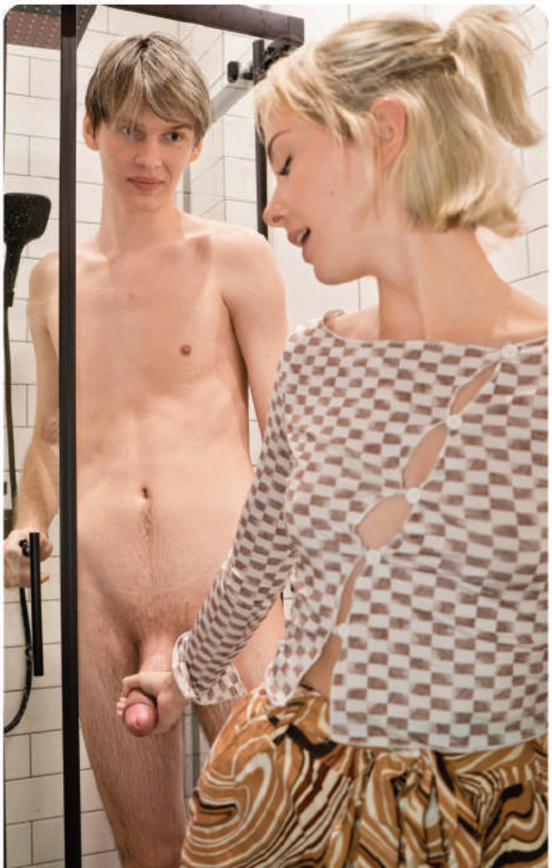
Helen

Bend, Oregon



Ah, young love! Is there anything better? Your girlfriend is hot, tight and horny. She's willing to do anything to make you happy. That includes inviting one of your friends to take pictures of you and your girlfriend having sex. Helen loves her guy that much. "It was weird at first," Helen explained about being watched and filmed by a friend. "But I got over it quickly and realized it was an adrenaline rush. We've all skinny-dipped and hot-tubbed together in the nude, so it wasn't the biggest leap to have him watch."

"Our original plan was for my boyfriend and me to shower together, but I wanted to surprise him by leading him to the bedroom by his cock. We've done that before, and he told me that it turned him on because I'm naturally submissive, and he liked that I was taking the initiative. So, I did that, and he got harder than I've ever felt. He felt so good; I had to taste him and feel his cock in my hands. My pussy was practically vibrating from excitement when he started to eat me out."

"This is probably the closest I'm going to get to having a threesome. I never say never, but I don't want to screw up the dynamic I have with my boyfriend. I think I'd be too jealous to deal with seeing him stick his dick in another pussy. Plus, we have enough sex. He tells me that I wear him out. I have a much higher sex drive than he does. If I had my way, I'd fuck twice a day and always have cum in my pussy all the time. I know that's dirty, but it's my fantasy."

Paint her like a picture.

"I don't mind facials or cum on my body. I prefer creampies, but I understand why guys want to shoot their jizz on girls. It looks terrific, and it's like, 'I made that.' I only wish that girls could return the favor to boys."

the other two to fertilize a female. The next time it's time to make some love, the other two will step in and spray.

- **Blue whales.** The blue whale is the largest animal on Earth. You'd expect it to to pack a whopper. It does. Blue whale cocks are between eight and ten feet long and have a staggering foot-long diameter. Each whale nut can weigh up to 150 pounds, and it unleashes gallon-sized loads every time.

- **Leopard slugs.** These slimy creatures are brown with black spots. They can reach four to eight inches in length, making them some of the largest slugs on Earth. They are hermaphrodites, meaning there are no males or females; any Leopard slug can become pregnant. They mate by dangling from tree branches by a long slime rope and wrapping their neon blue penises together.

- **Mallards.** The ubiquitous birds with brightly colored heads have some of the gnarliest dicks in the animal kingdom, and they keep them inverted inside-out in a sac within their bodies. When the duck decides it's time to fuck, it will pounce on a female and expose its corkscrew-shaped, nearly 8-inch penis, fully erect, in a flash. It only takes them a third of a second to finish. The corkscrew shape is paired with ridges and spines that act like barbs, and it helps the duck shoot its seed further into the females than rivals.

- **Alligators.** If they ever made male porn studs with the ability to fuck all the time like gators, we'd hire them. See, the alligator has a permanent hard-on made of layers of stiff collagen protein. They're ready anywhere, any time.

- **Flatworms.** Another hermaphroditic animal, the flatworm is an invertebrate without circulatory veins, organs, or even a separate butthole/ mouth. It uses the same hole. They range in color from neon green and blue to orange and sometimes pink

What happened to HOLLYWOOD SEX?

What happened to Hollywood sex? If you're a big cinephile, and even if you're not, you can probably think back to the days when almost every Hollywood movie had at least one sex scene or even a great nude scene. *Basic Instinct* had that infamous Sharon Stone pussy shot when she crossed her legs. Phoebe Cates dropped her red bikini top in slow-motion in *Fast Times At Ridgemont High*. *Starship Troopers* had an infamous group shower scene and *Boogie Nights* had, well, everything. If you're like us, you might wonder where all the T&A has gone.

Where are the lights, camera and action?

It's interesting to note that since the year 2000, sexual content in movies has dropped almost 40% in the 250 top-grossing films of each year. This shift in content could reflect changes in societal attitudes or the influence of various industry and cultural factors on film production. However, profanity, drugs, and violence haven't experienced a dip anywhere near as drastic. Profanity is down only around 5% when writing this article, and violent scenes in the biggest movies are around par with where they were over 20 years ago. This trend raises questions about the preferences of audiences and how they perceive sex differently than other vices.

Another thing to consider is that nude scenes and sex scenes are quite different. Although you may have seen some nudity in movies recently, those scenes are also becoming rarer. They're not as scarce as full-on sex

Candie

Boca Raton, Florida

When it's hot and humid in South Florida, Candie likes to beat the heat by masturbating outdoors. She is not coy about it, either. We could hear her neighbors on the other side of the fence. "It's hot out here," Candie said. "You've gotta do what you've gotta do." After a bit of fun with the water hose, she stripped out of her jeans and shirt and proceeded to jam on her clam while our cameras snapped.

Lola

Budapest, Hungary

We're not going to bullshit you; Lola is wild. We asked her to describe her wildest, kinkiest sexual experience. "It was with seven guys," she responded. "It was a full-on gangbang. Only one other girl was there, but she dropped out after an hour. I could have kept going forever. I was in heaven." We then asked Lola to tell us about something she wanted to try. "Eight guys," she said bluntly.

"My favorite sexual position is 69. It's mutually beneficial; the more effort you give, the more you get in return. But every position is good for different things. If I'm looking for intimate sex, missionary is good. If I want a physical overload, then DP is wonderful, but it's harder to do for a long time and to find two willing guys."

"I have a foot fetish that I'm just starting to explore. I've watched porn about it for a long time. I love exploring bodies with my feet and having them worshipped. Sometimes, I'll look at the BDSM foot stuff like vinyl boot worshipping and stomping. Other times, it's basic footjobs with cumshots. I'm not a fan of men's feet. They don't do it for me. I want the attention on my toes and soles."

She likes the ladies, too.

"I'm a fashion student studying and working with many other women. I love girls. They're so beautiful, curvy and sexual. They have an energy men can't match. I've had a lot of lesbian sex, and it's always incredible."

Una

St. Petersburg, Russia

If this is your first time seeing Una, we highly recommend you pick up *NN2904* to see her XXX photos. We asked the biology and biochemistry student to return for another photo shoot. She happily obliged. "I had such a good time the first time. I was hoping you would ask to see me again," she gushed. "I've been thinking about it every day. It was such a turn-on to feel so exposed and naughty."

The last time we saw Una, she described how hard it was to find a boyfriend. We asked how her dating life was going now. "It's going fairly well," she told us. I've had a few more casual hookups, and one of the guys seems like he might be boyfriend material. He's nice, tall, good-looking but not vain, and he's pretty good in bed. I think I can teach him a few things about being more sensual and daring."

There's no replacing dick.

"I had my first lesbian hook-up a month ago. I wasn't sure if I would like it, but it was fun. It was nice that we could both cum multiple times without falling asleep like most men. I still prefer a cock, though."

scenes, however. Looking at the 250 top-grossing feature films each year, the percentage of films without any sexual content whatsoever has gone up around 30%. This phenomenon is most noticeable in action and thriller movies. Gone are the days when James Bond fucked four different women, as he did in *A View To Kill*.

The movies most likely to show some tits or pussy are R-rated. Lately, big-budget R-rated movies haven't been box-office gold. There are certainly one-offs, but PG-13 movies dominate the American market with nearly a two thirds majority of the market. For every *Joker* or *Deadpool*, there are a ton of animated films and movies marketed to a younger audience. In 2022, R-rated movies' box office revenue earnings were the lowest in 25 years.

So, what's the deal? Why aren't we seeing more of Hollywood's hottest getting down and dirty and exposing their goods? It could be a variety of reasons. First, movie sets have changed quite a bit in the past 20

years. Even though the first credited "intimacy coordinator" on a set was introduced in 2017, the tides have been shifting for a while. Sex and nude scenes in the past have left some actors feeling taken advantage of. It could also be that action and thriller movies, predominantly a men's niche and the ones most impacted by this whole thing, are gaining new viewers who want actual female characters, not just women who show up, fuck and then disappear. It could also be that most mega-budget movies now have to recoup a lot of cash from overseas markets, including those that may not allow sex scenes. With budgets swelling to nearly 450,000,000 USD, it's no wonder studios feel the need to market to the broadest audience possible. The cause of the decline in nudity and sex in movies could be other factors or a confluence of factors, too.

Luckily, porn such as *Naughty Neighbors* still exists, and we show a hell of a lot more than a boob or two every 90 minutes. **NN**

Eve

Hartford, Connecticut

Babyfaced newcomer Eve Bardot is a college student with a secret. She's been selling pictures of herself online to pay for school. We saw them and thought that we could help her out. We paired her with a professional cock and let the cameras roll. "That was so much more professional than my setup in my little apartment, LOL," she texted us after our stud nutted on her cute little tummy and left.

We asked Eve if she ever got up to sexy shenanigans in college. “My dorm room first year was just a place for people to study quietly, but there was a party room down the hall. People were smoking hookah and celebrating all the time. Everybody there got to hook up with one another. Girls would kiss girls; guys would double-team girls on the tiny bunk beds. It was wild. I went a few times, but I’m not a big party girl. I mostly dated quietly and kept to myself. I tend to be shy.”

"I had a big crush on one of my professors, whom I met during orientation. I flirted with him, but he shut me down. He must have had that happen a lot. Anyway, I took a class from him, and every day as I left, my pussy would be so wet. Toward the end of the semester, I told my study buddy, a skinny guy my age, that I needed to fuck someone or I'd go crazy. He helped me out for the rest of the year whenever the prof got me too hot and bothered. I ended up finding out I took my study buddy's V-card!"

Fingers crossed, Eve.

"I've got a boyfriend now, and we're pretty much monogamous. I mean, usually, he'll film me and let me post stuff online, but him letting me fuck a porn guy is a big step for us. I hope he looks at these pictures and enjoys seeing them."
